Dear Dr.  25X1A5ap 25X1A9a

Possibly you have already heard from  about our proposed recruiting trip to the  on October 29-30. I am certainly pleased at the prospect of visiting  again 25X1A5ap and I hope, of course, that you will again have some interesting recruits for us to talk to as has been the case on past visits.

We are very grateful to you for the help you have given us in the past. I am looking forward with pleasure to seeing you once again. Until then, with every good wish

Sincerely, 25X1A9a
